## MAKING A DIFFERENCE

Dear Friends,

Our supporters are the cornerstones for the USTA Foundation to fulfill its mission to change the lives of youth through tennis and education. In so many ways every day, the USTAF flagship NJTL programs impact children's lives in the afterschool setting with positive experiences on and off the tennis court.

In 2017 and 2018, new milestones were reached with two major pledges and generous donations from hundreds of contributors.

We are excited to report that a longtime supporter made a \$5 million gift to be fulfilled over five years, to ensure the continued growth of our tennis and education programs. This commitment will enable USTAF to offer a library of education programs, including its widely acclaimed A.C.E. curriculum, to provide access to outstanding community tennis and education programs to thousands of youth.

In addition to receiving unprecedented programmatic support, USTAF was approached two years ago by a Foundation Advisory Board member to create a world-class athletic and academic facility on the West Coast in an underserved area of South Los Angeles. Through the generosity of the Kimmelman family, their friends, and our many partners, and after two years of hard work with architects and collaboration with the City of Los Angeles, plans to construct a multi-sport community center as a legacy to the late Carol Kimmelman, a tireless and dedicated USTAF Board member, are becoming a reality. With \$55 million pledged to date, the Carol Kimmelman Athletic and Academic Campus groundbreaking is currently scheduled for early 2020.

In 2019, NJTL will celebrate 50 years since it was founded in 1969 on public tennis courts as a result of the "dreams" of Arthur Ashe, Charlie Pasarell, and Sheridan Snyder who wanted all children to see brighter futures. Let's keep on dreaming and making a difference for generations to come.

# PROGRAMS OVERVIEW

USTAF offers tools and resources to facilitate the growth and development of tennis and education for under-resourced youth in their communities.

The NJTL network of nearly 300 independent nonprofit programs serving approximately 180,000 youth nationwide, has received more than \$40 million in program services, grants and scholarships to the NJTL network since 1994.

Following organizational assessments in 2017, USTAF selected 22 NJTL chapters for assistance through its Capacity Building program by providing direct oversight in areas ranging from Board development to accounting, finance, and operations. As a result of these efforts, program chapters have increased budgets, and five chapters gained four-star status, the highest rating for NJTL chapter performance.

The NJTL Excellence Teams program is an extension of the NJTL community program. Coaches have identified a group of 296 promising student-athletes whose hard work, talent, and perseverance have earned them spots on 13 NJTL Excellence Teams nationwide. These players receive additional coaching, equipment, and tournament travel expenses are covered at no cost.

The NJTL National Essay Contest presented by Deloitte attracts more than 2,000 essay contest entries annually. Winners in five age groups travel to New York City during the US Open to receive their awards, attend the US Open, and to enjoy cultural activities. 2018 was the first year of a three-year partnership between USTAF and Deloitte.

# ESPN LEAGUE HUMANITARIAN LEADERSHIP AWARD

USTAF received the prestigious ESPN League Humanitarian Leadership Award and a \$100,000 grant in 2017 at a ceremony celebrating leagues, teams, individuals and members of the sporting community that are using the power of sport to make a positive impact on society.

The awards ceremony was held for the first time at L.A. LIVE's The Novo and hosted by former professional boxer Laila Ali and Mike Greenberg, co-host of ESPN's "Mike and Mike."

USTAF directed the grant proceeds to benefit nearly 300 NJTL chapters allowing them to continue providing quality tennis and educational programming to nearly 180,000 under-resourced youth.

This is the first time that USTAF was nominated for the ESPN League Humanitarian Leadership Award.

"The USTA Foundation is proud to be recognized by ESPN with this prestigious award," said Dan Faber, USTA Foundation Executive Director. "We accept this award on behalf of the entire NJTL Network and recognize its work in impacting hundreds of thousands of under-resourced youth around the country through tennis and education programs.

"We are extremely grateful to those who have supported our efforts in everything we do, from improving the organizational infrastructures of NJTLs through funding and technical support, to offering college scholarships so students can successfully excel in their academic endeavors," continued Faber. "A special thank you to former USTA President Judy Levering for establishing the USTA Foundation back in 1994 and for her ongoing passion and commitment. Judy's vision made it all happen."

# EXCELLENCE ON THE COURT AND IN THE CLASSROOM

*JTCC 2018 Excellence Teams Cup Champions*

Thirteen NJTL Excellence Teams serving 296 youth ages 8-18 nationwide have continued to produce outstanding results on the court and in the classroom.

NJTL community program participants are invited to join NJTL Excellence Teams based on the student-athlete's talent and commitment to training as well as educational aspirations.

95% of NJTL Excellence Team members have GPA's of 3.0 or higher. College acceptances in 2018 included University of Michigan, Dartmouth, University of Maryland, and Southern Methodist University, among many other outstanding colleges and universities.

The NJTL Excellence Teams Cup has become a highlight of the year when the teams come together at the Junior Tennis Champions Center (JTCC) in College Park, MD for a weekend of competition including both tennis and academic challenges that earn points for each team to determine the winner. Activities include singles and doubles tournaments, a tour of Washington, DC monuments, a spelling bee, a relay race, and a quiz on the history of the Lincoln, Jefferson, Martin Luther King Jr. and World War II monuments.

In 2017, Sportsmen's Tennis and Enrichment Center earned the highest overall score to take home the 3rd Annual USTA Foundation NJTL Excellence Teams Cup. Congratulations to Team Sloane Stephens!

In 2018, home favorites JTCC, where current world #30 Frances Tiafoe trained first in the NJTL community outreach program and later in the JTCC high performance development program, proudly hoisted the 4th Annual USTA Foundation NJTL Excellence Teams Cup. Congratulations to Team Mats Wilander!

JTCC NJTL Excellence Team members also represented Team USA to capture the International Tennis Club World Junior Challenge in Japan, including Ayana Akli, Trinity Grear, and Robin Montgomery, who also reached the quarterfinals of the Orange Bowl Girls' 18's and the finals of the ITF Grade 1 tournament in Tokyo.

Clervie Ngounoe, 12, of the NJTL Metropolitan Tennis & Education Group Excellence Team won the Orange Bowl Girls' 12's Championship.

Adrianna Peradoza, 15, also of the Metropolitan Tennis & Education Group, and Owen Megargee, 14, another JTCC Excellence Team standout, were the Girls' and Boys' winners of the inaugural Excellence Cup presented by American Express at the US Open.

Sportsmanship is a major emphasis of the NJTL Excellence Teams, and 2018 awards were presented to the NJTL Dallas Tennis Education Foundation Excellence Team and individually to Flex Howard, 15, and Kylin Sadler, also 15, and both representing NJTL South Atlanta Community Tennis Association Excellence Team.

# 2017 STAMFORD FAMILY FUN DAY

Grand Slam Champion and Olympic gold medalist Gigi Fernandez addressed more than 150 kids and families with a motivational message at the second annual Stamford Family Fun Day hosted by USTAF in partnership with the Stamford Youth Tennis Academy and Synchrony Financial in Stamford, CT.

On and off-court activities included tennis and fitness stations, music and zumba dancing. The light and fun atmosphere created a dynamic experience for the participants and special guests Stamford Mayor David Martin, local police and fire department officials, media, and Synchrony Financial employee volunteers.

# FUNDRAISING

USTAF engaged with philanthropic partners throughout 2017 and 2018 emphasizing the importance of serving under-resourced populations, raising \$3.8 million in net revenues through fundraising events.

## WORLD TENNIS DAY

USTAF was designated for the fourth year in 2017 as the Official Charity of the BNP Paribas Showdown, a one-night tennis extravaganza held annually at Madison Square Garden in New York City. In conjunction with the event, USTAF celebrated World Tennis Day with a fundraiser including clinics for donors with the professional players and a reception which showcased the pros including Juan Martin del Potro, Lleyton Hewitt, Nick Kyrgios, Garbiñe Muguruza, Kei Nishikori, Andy Roddick, Jack Sock, and Venus Williams.

Through the collaboration with promoter GF Sports, USTAF raised \$133,000.

# RAISE A RACQUET

A live performance by the Bryan Brothers Band brought the crowd of more than 300 supporters to their feet at the USTA Foundation's inaugural "Raise a Racquet" fundraiser kicking off the "US Open Experience" in downtown Manhattan on the rooftop terrace at Brookfield Place.

Before Bob hit the keyboard and Mike picked up his guitar, the winningest doubles tandem in tennis presented a generous \$15,000 donation from the Bryan Brothers Foundation to the USTA Foundation to support the organization's mission to bring tennis and education together to change the lives of youth nationwide.

The atmosphere was energized with activities for everyone including a "Meet Your Match" tennis tournament video game, Wilson Tennis Ball photo wall, an "edible selfie" station, plus US Open-inspired food and signature drinks.

As part of the "US Open Experience", USTAF Chairperson James Blake and the Bryan Brothers held a Q&A and addressed NJTL participants on the exhibition tennis court set up on the plaza. Partner SPEAR Physical Therapy demonstrated and engaged the children in proper functional movement.

A live and silent auction of US Open packages, Yankees tickets, and sports memorabilia provided opportunities for everyone to participate in supporting USTAF's commitment to provide an opportunity for a better future for under-resourced youth.

The night was made possible by presenting sponsor ESPN, with support from the young professionals group chaired by USTA Foundation Advisory Board Member Martin Mann.

# TEAM EVENTS BENEFIT USTAF WASHINGTON KASTLES

The Washington Kastles Congressional Charity Tennis Classic and the Laver Cup—two high profile professional tennis “team” events—added USTAF to their team in 2018 by designating USTAF as their official charity beneficiary raising nearly \$250,000 for seven NJTL programs.

The 6th Annual Washington Kastles Congressional Charity Tennis Classic featured media, celebrities, and political superstars turned tennis players taking the court for a fun-filled competition on July 24, 2018 to fundraise for underserved youth.

As the designated charitable beneficiary of the event, USTAF directed proceeds to three NJTL chapters in the Washington metropolitan area: Washington Tennis & Education Foundation, Metropolitan Tennis & Education Group, and JTCC.

The bipartisan event anchored by Washington Kastles stars was created with the sole purpose of giving back to the community. Legendary Hall of Famer Nick Bollettieri hosted a Kids' Clinic for local youth before coaching Team Stars who faced off against Team Stripes coached by Kastles' head coach Murphy Jensen.

NBC news anchor Andrea Mitchell welcomed the teams to kick off the evening. Throughout the match, Tennis Channel's Brett Haber kept the fans engaged from the umpire chair with spirited commentary. New York Times' tennis writer Ben Rothenberg simultaneously entertained a national audience via a live stream broadcast of the match play.

Washington Kastles owner Mark Ein and the Kastles' Tennyson Sandgren, went head-to-head with Murphy Jensen and DC United coach Ben Olsen.

Congressional representatives included Bob Goodlatte (R-VA), Jimmy Panetta (D-CA), Tom Rooney (R-FL), Jared Huffman (D-CA), and Shelley Moore Capito (R-WVA), joined by former Rep. Kevin Yoder (R-KS) and former Sen. John Breaux (D-LA).

With Team Stripes prevailing in a hotly contested match, 47-42, that went to overtime, area youth were the ultimate winners.

# LAVER CUP

The USTA Foundation was selected as the official beneficiary of the 2018 Laver Cup held in Chicago, IL in September following the U.S. Open. Four Chicago area NJTL chapters received proceeds from the glamorous opening night gala, USTAF brunch, and the Laver Cup tournament.

Students representing the Ace Project, Love to Serve, Tennis Opportunity Program, and XS Tennis & Education enjoyed the experience of meeting Roger Federer and the stars from Team Europe and Team World before the youth were recognized onstage at the gala for their commitment to tennis and education.

Following the Laver Cup Gala, attended by 30 USTAF benefactors, more than 150 USTAF supporters turned out at the Midtown Athletic Club for a brunch headlined by USTAF ambassador Chris Evert, who participated in a lively Q & A session with USTA President Katrina Adams.

The brunch benefiting USTAF was organized and hosted by former USTA Presidents and USTAF Honorary Board members Jon Vegosen and Alan Schwartz, who continue to demonstrate their tireless commitment to the USTAF mission.

Following the brunch, USTAF tennis enthusiasts headed off to see Team World's Frances Tiafoe face off against Team Europe's Grigor Dimitrov in the opening round of the Laver Cup. Team World Captain John McEnroe and Team Europe Captain Bjorn Borg led strong teams, but Team Europe triumphed 13-8.

USTA Foundation also partnered with the Laver Cup and the USTA to refurbish four public tennis courts at Garfield Park in Chicago providing a Laver Cup legacy, providing kids access to high-quality facilities and programs.

# JIMMY EVERT SCHOLARSHIP FUND

Following the August, 2015 passing of legendary tennis coach Jimmy Evert, father of Hall-of-Famer Chris Evert, the Evert family established the Jimmy Evert Scholarship Fund in partnership with USTAF.

**"Dad's Court 10 at Holiday Park in Fort Lauderdale was a place where he instilled character and taught life lessons through the language of tennis. Thanks to the Jimmy Evert Merit Scholarship program, we believe our father's legacy now has a chance to live on because every dollar that goes into this program will be utilized to accomplish what Jimmy Evert achieved with his students every day on Court 10."**

– Drew, Chris, Jeanne, John, and Clare

The Jimmy Evert Scholarship Fund supports after-school academic tutoring, college counseling and advanced tennis training through tournaments, clinics, private lessons and camps for NJTL participants with a focus on Excellence Teams players ages 8-14 nationwide. Recipients are invited to attend the Evert Academy in Boca Raton, FL and train with top national coaches.

In addition, USTAF awards Jimmy Evert Scholarships to participants in USTA Player Development programs. Together, USTA Player Development representatives and the Evert family select the scholarship winners.

"For all of the recipients, the Jimmy Evert Scholarships represent an opportunity to become Champions in Life creating the same positive impact that Jimmy Evert did for each of his students," said USTAF Executive Director Dan Faber.

# OPENING NIGHT GALA PRESENTED BY **ESPN**

The US Open's glamorous opening night ceremony has set the stage for the USTAF's Opening Night Gala at the US Open for nearly two decades. The annual event highlights USTAF's mission to fund tennis, education and health programs for hundreds of community-based, grassroots programs across the country benefiting thousands of youth.

In 2017, the star-studded event was a phenomenal success raising more than \$1.1 million. ESPN was the presenting sponsor for the Opening Night Gala for the third year making a major donation to the Foundation in the amount of \$150,000. Emmy Award winner Alec Baldwin and tennis champion Martina Navratilova were enthusiastic co-hosts. Among the luminaries in attendance were Vera Wang, Anna Wintour, Mike Tyson, Mariska Hargitay, Martha Stewart, Megyn Kelly and Gayle King. They joined a sellout crowd who posthumously honored USTAF Board Members Fred Shen and Carol Kimmelman with the "Serving Up Dreams" Award for their dedication in supporting the principles and ideals of the USTA Foundation. The Opening Night Ceremony at the 2017 US Open helped kick off the 20th anniversary celebration of Arthur Ashe Stadium in style. The gala's 200 guests filled the President's Suite and were treated to the on-court Opening Night ceremony featuring global superstar, Shania Twain. Guests wrapped up their evening with courtside seating for the opening night matches.

In 2018, USTAF raised more than \$1.6 million from the 18th annual Opening Night Gala presented again by ESPN. Hosted by Billie Jean King and ESPN's Mike Greenberg, more than 200 guests and celebrities, including Katie Couric, Mayor David Dinkins, Hugh Jackman, Daymond John, and many returning superstars, gathered in the Arthur Ashe Stadium President's Suite to honor longtime USTAF Board member Richard Ader, for his demonstrated personal commitment to USTAF's mission. Among the auction items which raised more than over \$100,000 were, a priceless experience to meet country music star Luke Bryan with VIP concert seats, a Disney dream package and Finals weekend at the US Open in the President's Suite. After dinner, guests enjoyed the Opening Night Ceremony which featured Kelly Clarkson and world-class tennis from the best seats in the house.

# PRO-AM AT THE US OPEN

The Pro-Am at the US Open offers amateur players a memorable tennis experience of a lifetime by trading backhands with and returning serves from some of the greatest champions of all time. While competing with and against former world #1 players, Grand Slam winners, and current coaches and commentators, generous USTAF donors contributed nearly \$1 million in 2017 and 2018 to support the USTAF mission.

Amateurs exchanged serves and volleys with Tracy Austin, Marion Bartoli, James Blake, Pat Cash, Michael Chang, Kim Clijsters, Lindsay Davenport, Mary Joe Fernandez, Jan Michael Gambill, Martina Hingis, Luke Jensen, Murphy Jensen, Henri Leconte, Martina Navratilova, Mark Philippoussis, and Arantxa Sánchez Vicario. After winning in 2016, amateur Rob Pohly accomplished a three-peat and took home the winner's trophy again in 2017 and 2018.

After a morning of spirited competition, Pro-Am participants enjoyed lunch and an afternoon watching the men's doubles final and men's semifinals.

# TENNIS FANTASY CAMP

USTAF and USTA Player Development co-hosted the first Tennis Fantasy Camp in 2017 which was an immediate "hit" at the USTA National Campus. Participants spent a fun-filled weekend in Orlando, FL training like the world's elite professional players. Many of the participants returned for another successful camp in 2018.

Designed as a high performance player training camp, the eager "students" received instruction from current USTA National Coaches and other veteran coaches offering drills, practice plans, video analysis, competition, and educational seminars. Throughout the weekend, they trained alongside "campers" Ivan Lendl, Jim Courier, Mary Joe Fernandez, Brian Gottfried, and Hall of Fame coach Nick Bollettieri. Net proceeds, which are designated to USTAF and USTA Player Development, exceeded \$500,000 for 2017 and 2018.

# JUDY LEVERING LEADERSHIP INITIATIVE (JLLI)

Judy Levering has been making a difference in thousands of lives as one of the most influential USTA volunteer leaders. The first woman to serve as USTA President, Judy was instrumental in establishing the USTA Foundation in 1994. In recognition of her dedication to helping others, the Judy Levering Leadership Initiative (JLLI) was created by the USTAF to accelerate the growth of the NJTL Network and improve the quality of grassroots tennis and education organizations. Since the JLLI was created in 2010, more than \$400,000 has been directed by USTAF towards funding leadership training in connection with its national Capacity Building program.

Each year, a reception is held at the USTA Annual Meeting to celebrate JLLI and present the USTAF Outstanding Service Award. The award is given to an individual who embodies the values of dedicated service to help advance the USTAF mission and the NJTL network.

JLLI 2017 recipients were USTAF Board member Amy Smith and former USTA President Jon Vegosen. In 2018, former USTA Treasurer Don Tisdell received the award posthumously.

# PAVER PROGRAM RELAUNCHED

Since 2005, USTAF has been “paving” the way to secure funding for the future through the Avenue of Aces® Brick and Paver program, which raised over \$250,000 in 2017 and 2018.

The Avenue of Aces® is the USTAF’s most visible donor-sponsored program at the USTA Billie Jean King National Tennis Center, home of the US Open.

The Avenue of Aces® is a collection of personalized bricks and pavers that form the walkway from the East Gate Plaza entrance to Arthur Ashe Stadium.

In 2010, “neighborhoods” were introduced on the Avenue of Aces®. Starting with legendary champion Billie Jean King, eight additional US Open Champion neighborhoods were developed recognizing Andre Agassi, Chris Evert, Stefanie Graf, Ivan Lendl, John McEnroe, Martina Navratilova, Pete Sampras and Randy Snow, US Open Wheelchair champion.

Due to the renovation and transformation of the USTA Billie Jean King National Tennis Center and construction of a new Louis Armstrong Stadium, the Avenue of Aces was removed in 2017 and replaced in 2018. When the new Louis Armstrong was unveiled in 2018, the Avenue of Aces had been reimaged, reinstalled, and relaunched, and included a NEW neighborhood.

US Open Doubles Champions are being celebrated in the NEW neighborhood including all-time great champions Bob and Mike Bryan, Martina Navratilova and Pam Shriver, and John McEnroe and Peter Fleming. Tennis fans and USTAF supporters can now purchase pavers in honor of their own teams – college teams, USTA Adult League teams, Tennis On Campus teams and more. Donors’ names surround their favorite champion and hold a permanent place at the US Open.

# PARTICIPANT PROFILE

Robin Montgomery is an exemplary NJTL Excellence Team player, who at age 14 has already shown through her results that tennis and education are a winning combination.

Robin has proven what time, dedication, and hard work can achieve -- having first earned the USTA National Girls' 12 & Under #2 ranking followed quickly by a USTA National Girls' 14 & Under Top 10 ranking and most recently, while still 14, having reached #70 in the USTA National Girls' 18 & Under rankings and #106 in the ITF World Junior rankings.

Raised in Washington, DC, Robin began playing tennis at the age of four after her mother, Gabrielle Montgomery, discovered the Junior Tennis Champions Center in College Park, MD and signed her up for a lesson. There was no looking back. Robin joined the GEICO Game On NJTL community tennis program where she excelled, and by the age of seven, she had progressed to become a member of the JTCC Team Wilander NJTL Excellence Team.

Robin's win/loss record as a junior is an impressive 330 – 124, including reaching the quarterfinals of the Orange Bowl Girls' Under 18's and being a member of the winning International Tennis Club World Junior Championship team in November, 2018.

Mother Gabrielle and daughter Robin have nothing but good things to say about how USTAF's NJTL programs have helped them both on and off the court.

"NJTL has added balance between life and tennis," explained Gabrielle. "At tournaments it is very easy to become wrapped up and obsessed. Our NJTL experience has provided balance between tennis and education. We have been surrounded by a positive, supportive, and healthy community.

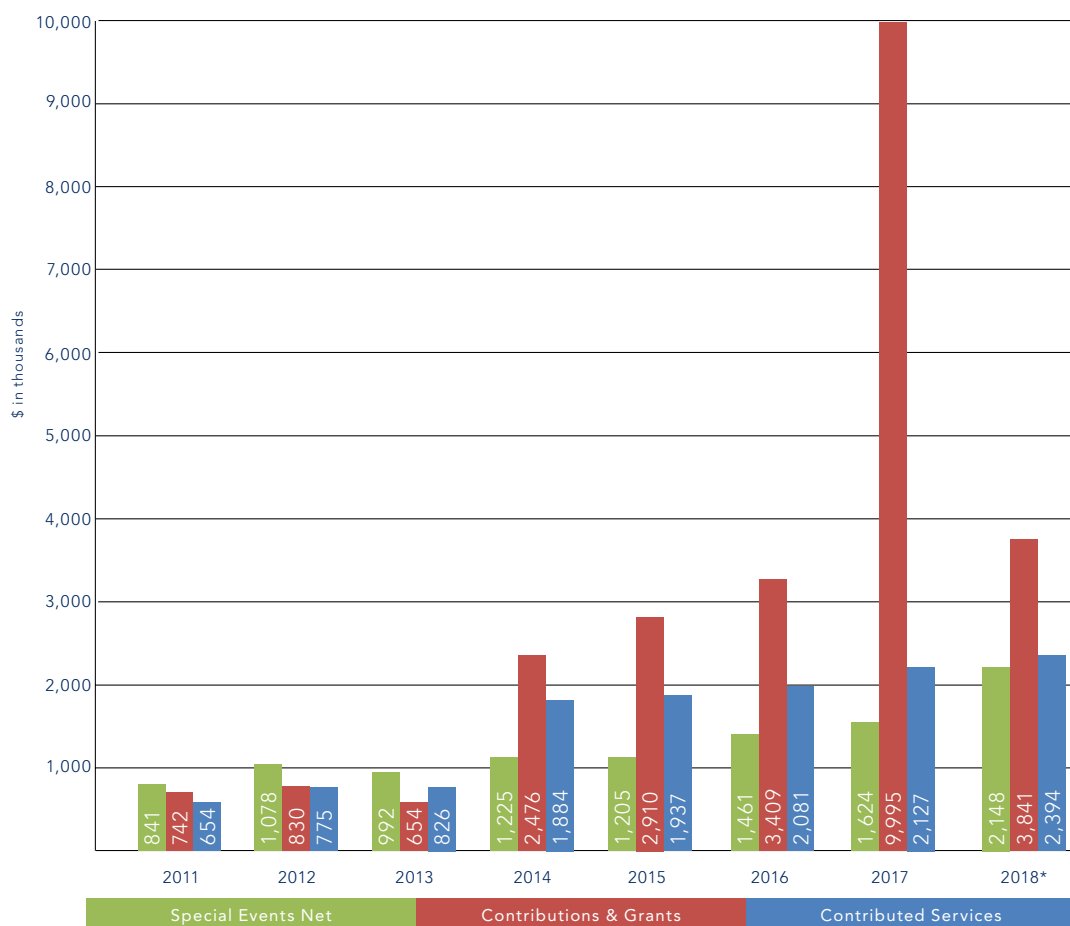

Based on her results to date, and with her mind set on becoming a world top 20 tennis professional in the future, the sky is certainly the limit for Robin.
